Pursuant to Section 8a (2) sentence 4 of the Financial Market Stabilisation Fund Act (*Finanzmarktstabilisierungsfondsgesetz* - “FMStFG”) dated 17 October 2008 (Federal Law Gazette I, p. 1982), last amended by Article 7 (9) of the Act on implementing EU Directive 2019/2034 dated 12 May 2021 on the supervision of investment institutions (Federal Law Gazette I, p. 990), the Federal Agency for Financial Market Stabilisation (*Bundesanstalt für Finanzmarktstabilisierung* - “FMSA”) enacted the following Charter for FMS Wertmanagement:

### **Article 1 Formation, legal form, registered office**

- (1) On the date on which this Charter enters into force, FMS Wertmanagement shall be established as an organisationally and financially independent entity under German public law with partial legal capacity under the auspices of the Federal Agency for Financial Market Stabilisation (FMSA). FMS Wertmanagement is a winding-up institution as defined in Section 8a (1) sentence 1 FMStFG.
- (2) FMS Wertmanagement may act in its own name when transacting business, and sue and be sued.
- (3) FMS Wertmanagement’s registered office is located in Munich.
- (4) FMS Wertmanagement may found permanent establishments (*Betriebsstätten*), specifically in Frankfurt am Main/Eschborn.

### **Article 2 Functions, transactions, applicability of the German Banking Act**

- (1) FMS Wertmanagement shall take over the risk positions and non-strategic operations (“Transferred Assets”) of Hypo Real Estate Holding AG and its direct and indirect German and foreign subsidiaries and special purpose entities (collectively referred to as the “*HRE Group*”) and both realise and unwind them in a manner aimed at maximising the assets’ value for the purpose of stabilising the HRE Group and the financial market.
- (2) To carry out its task described in paragraph 1, FMS-WM may engage in all kinds of banking and financial services transactions as well as operate all other kinds of businesses that serve its purposes, directly or indirectly. The foregoing shall not affect paragraph 3 sentence 1 No. 2. FMS Wertmanagement’s business activities shall cover all assets and liabilities under the Transferred Assets. FMS-WM may establish entities at home and abroad and may acquire equity interests in entities within the scope of its duties as defined in its Charter.
- (3) FMS Wertmanagement
  1. is not deemed a credit institution (*Kreditinstitut*) or financial services institution (*Finanzdienstleistungsinstitut*) as defined in the German Banking Act (*Kreditwesengesetz* - “KWG”), a securities firm (*Wertpapierdienstleistungsunternehmen*) as defined in the German Securities Trading Act (*Wertpapierhandelsgesetz* - “WpHG”) or an insurance company (*Versicherungsunternehmen*) as defined in the German Insurance Supervision Act (*Versicherungsaufsichtsgesetz* - “VAG”);
  2. nor does it engage in any transactions requiring a licence pursuant to Directive 2006/48/EC of the European Parliament and of the Council dated 14 June 2006 relating to the taking up and pursuit of the business of credit institutions (OJ L 177 dated 30 June 2006, p. 1) or Directive 2004/39/EC of the European Parliament and of the Council dated 21 April 2004 on markets in financial instruments,

amending Council Directives 85/611/EEC and 93/6/EEC and Directive 2000/12/EC of the European Parliament and of the Council and repealing Council Directive 93/22/EEC (OJ L 145 dated 30 April 2004, p. 1), as amended from time to time.

(4) The following provisions of the German Banking Act shall apply mutatis mutandis to FMS Wertmanagement: Section 3 and 6 (2) and (3); Section 6a, 7 to 8e, 9, 14 and 22a to 22o; Section 24 (1) no. 6, 8, 11 to 13 as well as Section 24 (1a), (2) and (4); Section 25, 25a (1) sentence 1 and (2) sentence 2 and Section 25g to 25m; Section 26 (1) sentence 1 to 3; Section 29 (2) sentence 1 and (3); Sections 37, 39 to 44a, 44c, 46g, 46h, 49, 54a, 55b, 55, 56, 59, 60 and 60a; as well as Section 23 of the German Securities Trading Act (*Wertpapierhandelsgesetz*). FMS Wertmanagement is deemed an “obligor” (*Verpflichteter*) for the purposes of Section 2 (1) of the German Money Laundering Act (*Geldwäschegesetz* - “GwG”).

(5) FMS Wertmanagement, including its governing bodies and stakeholders, is bound by the requirements of the law and its Charter.

### **Article 3 Transfers of assets**

(1) To carry out its task described in Article 2 (1), FMS Wertmanagement may – pursuant to Section 8a (1) sentence 1 and Section 4 FMStFG – participate in a transformation (*Umwandlung*) as the acquiring entity (*übernehmender Rechtsträger*) or other transfers or securitisations of assets by virtue of a contractual arrangement or otherwise.

(2) To carry out its task described in Article 2 (1), FMS Wertmanagement may transfer one or more parts of its assets by way of a spin-off or a hive down pursuant to Article 8a (8a) and (8b) FMStFG. A report on the division prepared by the Executive Board of FMS Wertmanagement is a consent requirement to a spin-off and a hive down. Spin-off and hive down as well as the sale of parts of the assets spun off or hived down before require a resolution of the Supervisory Board and the consent of the Stakeholder as defined in Article 4 (2) of this statute as well as the consent of the FMSA. The Stakeholder which is administered by the Federal Republic of Germany -Finanzagentur GmbH pursuant to Section 3a (2a) FMStFG is considered as assembly of the owners of shares as defined in the German Transformation Act. The Supervisory Board of FMS Wertmanagement is the supervisory body pursuant to the German Transformation Act, the Executive Board of FMS Wertmanagement is the representative body pursuant to the German Transformation Act.

(3) The consent of the FMSA shall be given only if compliance with the following provisions of this subsection is ensured (these are no conditions within the meaning of the German Transformation Act). In particular, the spin off or the hive down must also ensure the risk reduction related to the transferred assets (e.g. the expected loss). Notwithstanding the consent requirements of Section 8a (8a) sentence 1 no. 1 FMStFG, the requirements defined for internal decision processes of FMS Wertmanagement apply. The Executive Board of FMS Wertmanagement has to prepare the report on the division in accordance with the requirements defined by FMSA. The liability risk of the Stakeholder must not increase neither through the spin off itself nor through the sale process following the spin off or hive down nor through the chosen legal form of the acquiring legal entity. The agency shall ensure that the acquiring legal entity is sufficiently capitalised and staffed. Until full divestiture of the acquiring legal entity (a) FMSA will supervise this entity, (b) the entity has to prepare an own wind-up plan in accordance with the requirements of the FMSA, (c) it has to prepare wind-up reports which content and form have to be aligned with FMSA and (d) its remuneration system for employees and management board members needs to be approved by FMSA. Any legal transactions and measures at the acquiring legal entity which result in deviations from the wind-up plan require the prior consent of the Supervisory Board and

FMSA until full divestiture of such legal entity. The supervision, review, reporting and disclosure duties in favor of FMSA pursuant to Article 15 of this Charter shall apply also with respect to the acquiring legal entity up to the full divestiture of such entity. In particular, FMSA is endowed with a guest right to attend the meetings of the management and supervisory boards of the acquiring legal entity, to the extent permitted by law. The report on the division should include especially an analysis regarding the risk and revenue situation of the acquiring legal entity as well as of FMS Wertmanagement following the transfer and, in addition, a cost estimate, including costs resulting from the supervision of the acquiring legal entity by FMSA. The analysis should include the disposal process following the transfer. This applies all the more if the acquiring legal entity delegates (in part) important portfolio management functions, e.g. by adding additional capital owners.

#### **Article 4 Share capital**

- (1) Equity capital shall be contributed to FMS Wertmanagement.
- (2) Initially, the Financial Market Stabilisation Fund (*Finanzmarktstabilisierungsfonds*, hereinafter referred to as “*FMS*”), acting on behalf of the Federal Republic of Germany, shall be the sole stakeholder (hereinafter referred to as the “*Stakeholder*”).
- (3) Interests in the equity capital of FMS Wertmanagement may only be transferred with the written consent of FMSA.

#### **Article 5 Wind-up plan**

(1) The Transferred Assets shall be realised and unwound in accordance with a wind-up plan (“**Wind-up Plan**”). The Wind-up Plan is a business plan which sets out the nature and scope of the planned transactions for the purpose of realising and unwinding the Transferred Assets, taking the requirements of paragraph 3 into account. It shall be proposed by the Executive Board and adopted by the Supervisory Board subject to the approval of FMSA. The Wind-up Plan may be a part of a separate agreement. The Executive Board, the Supervisory Board and the Stakeholder shall be bound by the Wind-up Plan as amended from time to time.

(2) The Wind-up Plan shall describe the actions FMS Wertmanagement intends to take to realise and unwind its assets and include a timeline for unwinding them in full within a reasonable wind-up period. FMS Wertmanagement shall be dissolved once all of its assets have been unwound and all of its liabilities have been discharged.

(3) The Wind-up Plan

1. shall be drafted using prudent business judgment;
2. in addition to a complete payment plan, it shall also contain a presentation of the net assets, financial position and results of operations of FMS Wertmanagement (balance sheet (plan), profit and loss statement (plan), both prepared in accordance with the German Commercial Code – “HGB” and liquidity planning) for the entire wind-up period based on the guidelines of FMSA; and
3. shall ensure that FMS Wertmanagement is solvent at all times during the entire wind-up period, notwithstanding the obligation to cover losses and make additional capital contributions (Article 7); this shall be documented in a complete payment plan which is to be updated annually.

FMSA shall instruct FMS Wertmanagement as to the specific details to be included in the Wind-up Plan.

(4) Their legal effect as against third parties notwithstanding, transactions and actions that result in deviations from the Wind-up Plan may only be carried out with the prior consent of the Supervisory Board and FMSA.

(5) In the event of a change in circumstances that are materially relevant to the Wind-up Plan, the latter shall be adjusted to reflect the changed circumstances. FMS Wertmanagement shall conduct a review at the end of every quarter to assess whether the Wind-up Plan should be adjusted in accordance with sentence 1.

(6) Applications respecting adjustments or any other modifications of the Wind-up Plan, in particular any change in the realisation and wind-up strategy or any decrease or increase in the thresholds applicable to the disposal of assets, shall be filed with FMSA in a timely manner. Such applications shall be subject to prior resolutions of the Supervisory Board. Any adjustment or modification of the Wind-up Plan shall take effect only if FMSA has approved the given adjustment or modification. FMSA may instruct FMS Wertmanagement as to the prerequisites for approval of any such modification. The Executive Board shall amend the Wind-up Plan if requested by FMSA.

## **Article 6 Wind-up reports**

(1) FMS Wertmanagement shall prepare a wind-up report for every month, every quarter and every financial year concerning the progress of the realisation and unwinding and the implementation of the Wind-up Plan. FMSA shall instruct FMS Wertmanagement as to the mandatory content and form of the wind-up reports (monthly wind-up reports, quarterly wind-up report and annual wind-up report). The quarterly wind-up report shall also contain the findings of the review under Article 5 (5) assessing the need to adjust the Wind-up Plan.

(2) The monthly wind-up report shall be submitted to FMSA for the February, April, May, July, August, October and November reporting periods no later than 25 business days from the end of the given calendar month. A monthly wind-up report for the reporting period of January will not be submitted. The monthly wind-up report for February will, however, include the reporting periods of January and February of the respective financial year.

(3) The quarterly wind-up report shall be submitted to FMSA for the given quarter – with the exception of the fourth quarter of the given financial year – no later than two months from the end of the quarter. The third month of the given quarter shall be shown separately in the quarterly wind-up report.

(4) The annual wind-up report shall be submitted to FMSA for the given annual reporting period no later than three months from the close of the given financial year. The month of December shall be shown separately in the annual wind-up report.

(5) The annual wind-up report shall be adopted by resolution of the Supervisory Board. For the rest every wind-up report shall also be submitted to the Supervisory Board.

(6) Business days within the meaning of this Article 6 shall refer to every business day except Saturdays on which the banks in Munich and Frankfurt/Main are open for business.

## **Article 7      Loss compensation obligation**

(1) Until the dissolution of FMS Wertmanagement pursuant to Article 16, FMS shall have the obligation toward FMS Wertmanagement and FMSA

1. to pay, on first demand by the Executive Board – but no later than by the third business day from such demand and, if applicable, even before FMS Wertmanagement’s liabilities are due – all amounts required in the Executive Board’s due assessment for ensuring that FMS Wertmanagement can pay all its liabilities at any time when due and in full, i.e. FMS shall be liable to FMS Wertmanagement and FMSA for the liabilities that the former incurs;
2. to cover all losses of FMS Wertmanagement. Losses within the meaning of this provision are all amounts due and payable under no. 1 and not (or no longer) repayable under paragraph 2.

The Executive Board of FMS Wertmanagement has the obligation to request additional funding pursuant to no. 1 in an amount and at a time that assures FMS Wertmanagement’s ability to meet any and all payment obligations at all times.

(2) Payments pursuant to paragraph 1 no. 1 shall be repaid to FMS – plus interest from the value date of the payment received under paragraph 1 until the date FMS Wertmanagement transfers the funds at the interest rate on bonds issued by the Federal Republic of Germany with matching maturities (if possible) – if and to the extent that the Executive Board in its due discretion based on prudent business judgment determines that any such repayment,

1. would not prevent FMS Wertmanagement from fulfilling its liabilities to persons other than the Stakeholder in full and in a timely manner to the extent that said liabilities mature within the next six months (from the date of repayment) and
2. would not prevent compliance with the Wind-up Plan.

The duty to repay amounts which FMS paid in the prior financial year shall lapse definitively if, based on prudent business judgment at the time the annual financial statements are prepared, they are not expected to be repaid in accordance with paragraph 2 in the financial year following the one in which the annual financial statements are prepared.

(3) FMS may extend lines of credit to FMS Wertmanagement notwithstanding paragraph 1 on the basis of separate agreements or may have third parties extend lines of credit on its behalf (third-party credit guarantee as defined in Section 778 German Civil Code - “BGB”). If Section 774 BGB applies, FMS Wertmanagement shall only be obligated to make payments on the principal in accordance with paragraphs 1 and 2.

(4) Section 8a (4) sentence 1 Nr. 1b FMStFG is applicable.

## **Article 8      Management principles**

FMS Wertmanagement shall conduct its business pursuant to its task as described in Article 2 (1) using prudent business and fiscal judgment. Remuneration schemes for staff and members of the Executive Board shall be subject to the approval of FMSA.

## **Article 9      Governing bodies**

A member of the Supervisory Board shall be dismissed if any of the facts described in sentence 1 or 2 occur during the member's term of office or if grounds for exclusion from the Supervisory Board existed at the time of the member's appointment but only came to light during their term of office.

(4) FMSA has the right to participate in meetings of the Supervisory Board also through guest members. FMSA will notify FMS Wertmanagement of such delegated guest members. Guest members shall have all rights of a regular member of the Supervisory Board apart from voting rights.

In matters of particular significance under the Executive Board's purview, the Supervisory Board may reserve decision-making authority for itself on a case-by-case basis or in general as provided in the Rules of Procedure for the Supervisory Board. The foregoing shall not affect the authority of the Executive Board to represent FMS Wertmanagement externally to legal effect.

The Supervisory Board shall represent FMS Wertmanagement as against the members of the Executive Board in and out of court. Article 11 (3) sentence 5 shall apply mutatis mutandis.

(6) The Stakeholder may dismiss members of the Supervisory Board at any time for cause. FMSA may also dismiss a member of the Supervisory Board at any time if such member is unable to adequately guarantee that they will be able to meet the requirements of the law (particularly those of the FMStFG) and the Charter.

If a legally binding declaration is to be made toward FMS Wertmanagement, it shall be sufficient if such declaration is made toward one member of the Executive Board or one staff member or employee of FMS Wertmanagement duly authorised by the Executive Board.

(4) The Supervisory Board may dismiss members of the Executive Board at any time for cause. Cause shall be given in particular if a member of the Executive Board commits a gross breach of the duties incumbent upon them. (5) The members of the Executive Board shall perform their duties unselfishly and conscientiously in accordance with sound business practice and exclusively for the good of FMS Wertmanagement. They shall exercise the care of a prudent and diligent business person in managing FMS Wertmanagement. Members of the Executive Board who breach

(1) FMS Wertmanagement has its own accounting and company code (*Rechnungs- und Buchungskreis*). Its assets shall be held separately from the assets of other winding-up institutions as defined in Section 8a (1) FMStFG; the other assets of FMSA and its rights and liabilities; as well as the assets of the HRE Group. Where a member of the HRE Group manages FMS Wertmanagement's risk positions, it must be ensured that such management is functionally and organisationally separate from the HRE Group's other business activities.

(2) FMS Wertmanagement's financial year is the calendar year.

(3) The Executive Board shall prepare annual financial statements and a management report for FMS Wertmanagement within three months of the end of a financial year in accordance with the provisions of the German Commercial Code (HGB) applicable to large corporations and its supplementary provisions applicable to credit and financial services institutions as well as the provisions of the German Accounting Directive for Banks and Financial Services Providers (*Kreditinstituts-Rechnungslegungsverordnung - RechKredV*). The Supervisory Board shall release the auditor from its duty of confidentiality such that FMSA may exercise its right to obtain information under Article 15 (1) directly vis-à-vis the auditor. The Supervisory Board shall adopt the annual financial statements within two weeks after they have been presented to it by the Executive Board. If the Supervisory Board refuses to adopt the annual financial statements on improper grounds, FMSA shall decide in lieu of this approval requirement. There is no duty to prepare consolidated accounts. The German Publication Act (*Publizitätsgesetz*) shall not apply. The annual financial statements, the management report and the audit report shall be submitted to FMSA.

(4) The Executive Board shall prepare a quarterly report for FMS Wertmanagement for each of the first three quarters of the given financial year within two months of the end of the respective reporting period. The preparation shall be in accordance with the

requirements applicable to annual financial statements under sub-section 3 sentence 1 with the following particularities. A management report as well as a cash flow statement and an equity statement shall be prepared only for the annual financial statements. The quarterly report on the reporting date of the second quarter shall complement the balance sheet and profit and loss account by an appendix. The quarterly reports on the reporting date of the first and the third quarter shall only contain the balance sheet and the profit and loss account. FMSA may require that the quarterly reports be reviewed by the auditor appointed by the Supervisory Board. Quarterly reports and the results of the auditor's review shall be submitted to FMSA immediately after they have been prepared.
